

BR Jamighti

Date of Birth: 08/17/2012 Registration 1: CI280990 Breeder: **Brett Ranch** Owner: Jason Hardy

We just call her Jam. She is one of the most docile cow's I've ever been around. She is seriously a very sweet and beautiful cow! She has a great hornset and is almost 80" with a ton of total horn. Her last heifer is a complete knockout. She is confirmed bred to PCC Bear Claw and should have a calf this summer!
